THIS WEEK......

We are reviewing our reading strategies and what good readers do to help them read the words. We take a picture walk to get our brain ready (eagle eye). We use the first letter/sound of the word (Lips the Fish). We stretch out the sounds in the word (Stretchy Snake). We looks for chunks that help us read like -at -in -ing (Chunky Monkey). We keep trying until the story makes sense (Keep Tryin’ Lion). Please have your child read to you at home!

Your child should be able to count to 100 without making errors. Have them show you if they can.
Your child should be able to add and subtract using their fingers. Have them solve 3+4= 2+1= 5+3= 6-1= 4-2= etc.

We are writing true stories about ourselves across pages. We are keeping the setting in one place so that the story is a “small moment” story. We continue to stress 5-Star writing as well: neat, capitals, spaces, make sense, and has punctuation.

FYI.....

There is no school on Friday, January 30 due to a Record’s Day.

Please make sure your child has hats and mitten every day as it is still chilly out there!

Please make sure your child has shoes they can do by themselves! We LOVE velcro and slip on shoes. Laces are very tricky for most kindergartners.
